**This list contains 690 loop installations
including 379 houses of worship.**

**Did I miss your venue and you'd like
it to be listed? Email me.**

Interested in advocating for a loop in a
venue of *your* choice? Most hearing loops
materialize thanks to word of mouth, or
when *one* person initiates the process.
I am happy to help you do this.

For more information or corrections to this
list please contact hearing loop advocate

**Dr. Juliette Sterkens
Audiologist**

jsterkens@hearingloss.org

To be effective hearing loops have
to meet the IEC 60118-4 Standard

**Please post appropriate signage
on the premises, websites and in bulletins.
Want to see how it's done? Email me.**
