**This list contains 853 loop installations
incl. 488 places of worship.**

**Did I miss your venue and you'd like it
to be listed? Email me.**

Interested in advocating for a loop in a
venue of *your* choice? Most loops happen
thanks to word of mouth, or when
one person initiates the process.
I am happy to help you do this.

For information or corrections contact

Dr. Juliëtte Sterkens, Audiologist
jsterkens@hearingloss.org

To be effective hearing loops must meet
the IEC 60118-4 Hearing Loop Standard

**Please post appropriate signage on
the premises, websites and in bulletins
and on your Google Business Account.**

Want to see how that is done? Email me.
